Dear Sir or Madam,

I have seen the proposal for the duct tape merit badge as set forth by Richard R. Adams including the proposed requirements and badge design (available online at www.DTMB.gobot.com). I agree that the **Duct Tape Merit Badge** would be beneficial to the Boy Scouts of America program as a non-required merit badge. By sending this, I am showing my support for the approval of this badge by the Boy Scout Advancement Committee, S209.

Sincerely,
